## LABKAFIAN

---

At **Labkafe**, we believe that our people are the heart of everything we do. While our products and services define our business, it's the individuals who bring passion, creativity, and dedication to life every day.

This magazine is a celebration of that spirit. This quarterly magazine is more than just a collection of stories—it's a reflection of the **Labkafe** family. Through this magazine, we want to shine a light on the lives of our employees, their personal milestones, their unique talents, and the vibrant culture that makes working here special.

Our goal is to bring everyone closer, to share stories that inspire, and to create lasting memories. Whether it's celebrating achievements, welcoming new faces, or showcasing the hidden talents among us, *Labkafian* is about cherishing our people beyond the workplace.

This magazine is for all of us, by all of us. So, involve, enjoy the stories, and feel proud to be part of the **Labkafe** family!

# WELCOME TO THE FAMILY

## LABKAFE FOUNDATION DAY

27<sup>TH</sup> MAY

### *A word from our director*

Dear Labkafians,

Today marks a decade since Labkafe began its journey. From a modest vision to make labs affordable and accessible in India, today Labkafe stands proud with installations in 1800+ institutions, including ISRO, DRDO, IITs, ICAR, DPS, KVs, JNVs, and even reaching the shores of Oman and Nigeria.

#### **And We are just starting.**

Despite completing 10 years, our impact is still a small fraction of what lies ahead. With over 15 lakh schools, 50,000 colleges, 8,000+ universities, 2,000+ research institutes, 1000s of industries and 30,000+ cr of CSR budget in India alone – the road ahead is exciting and full of opportunity.

Last year was our toughest – we aimed for ₹60 Cr and closed at ₹30 Cr. But the worst is behind us. Our factory became operational, our team expanded, and our systems got stronger. These foundational steps will help us grow smarter, faster, and more sustainably.

Each one of you – Satayu, Moumit, Saurav, Varun, Ram, Rajendra, Vivek, Abir and the entire team – has been instrumental in taking Labkafe forward. Thank you for standing tall, even when times were tough.

Special thanks & congratulations to Aneja Saab & Panda Babu – your belief, energy, and strength keep us grounded and moving forward.

Here's to 10 years of impact – and the many milestones yet to come.
